INSTRUMENTS

Code	Description	Details	Pack Qty	Price £
620001	Ring Openers Large	For opening up rings	1	11.00
620002	Ring Openers Small	For opening up rings	1	9.00
620003	Ring Closures Large	For closing stretched rings	1	10.00
620004	Ring Closures Small	For closing stretched rings	1	9.00
620005	Scissors Blunt/Sharp 5"		1	3.75
620006	Scissors Sharp/sharp 5"		1	3.75
620007	Mayo Needle Holder	This product is favoured with Tattooists who use it when they are soldering their collection of Tattoo needles.	1	4.95
620008	Foerester Open Ended/Split	Commonly used when working with the navel. Allows clamp to be removed before the needle has to be cut down or removed.	1	5.95
620009	Foerester Closed End	Commonly used when working with the navel, the closed end allows the piercer a strong grip onto the area that is being clamped.	1	4.95
620010	Mini Foerester Closed End (Special closure)	A smaller version (as above)	1	8.00
620011	Foerester Closed End (Special No Serrations)	Commonly used when working with the navel, the Special-No Serrations is less traumatic for the client.	1	11.00
620012	Ramplays Clamp 7" Closed End	Commonly used on the navel and earlobes. The closed end gives a secure grip on the area.	1	5.00
620013	Ramplays Clamp 7" Open End	Commonly used on the tongue and with the open end split it allows the piercer to remove the clamp prior to removal of needle.	1	7.00

620014	Penington Open End/Split	A favoured item with piercers when working close to the eye. The open end split allows the clamp to be released before the needle.	1	6.25
620015	Penington with Closed End	A favoured item with piercers when working close to the eye. The closed end gives a secure grip.	1	5.85
620016	Mini Penington Closed End	A favoured item with piercers when working close to the eye. The mini closed end gives a secure grip when working in a small area.	1	6.00
620017	Mini Penington Open End/Split	A favoured item with piercers when working close to the eye. The open end split allows the clamp to be released before the needle.	1	6.00
620018	Duval Forceps Closed End	Commonly used on the eyebrows and nipples. The closed end provides a secure grip on the area.	1	6.00
620019	Duval Forceps Open End/Split	Commonly used on the eyebrows and nipples. The Open End/Split allows the clamp to be released before the needle.	1	7.00
620020	Tweezer Clamp	Provides a secure grip on many areas and is easy to use.	1	4.50
620021	Forceps with upward hook	Can be used on many areas. An advantage of the open end is that the needle can be easily removed prior to releasing the clamp.	1	10.00
620022	Septum clamp	Mainly used around the septum. It is easy to use and very reliable.	1	7.00
620023	Ball holder 5 prong	5 prong ball holder. Mainly used to pick up small items of jewellery etc.	1	6.00

TERMS & CONDITIONS

1. All prices are subject to VAT.
2. There is no minimum order value.
3. Prices quoted are carriage free on all orders over £75 for England, Scotland & Wales. Orders under £75 will incur a small order charge.
4. We reserve the right to amend prices to those ruling at the date of despatch.
5. Due to a programme of continuous product development, we reserve the right to amend specification, design and price without prior notice.
6. Advertisements, catalogues and other written material are only intended to present a general indication of products referred to therein and in no part shall be binding upon us.
7. Products delivered (pursuant to orders) are not returnable except by prior agreement.
8. The user must at all times be satisfied that the products ordered are suitable.
9. The seller cannot accept liability for the end use or the way in which they are stored or used.
10. Any requests for credit or replacements for shortages or damage in transit must be notified to us within 3 days of receipt of goods, or, in the case of non-delivery, within 10 days of receipt of invoice.
11. Every effort will be made to meet forecast delivery dates, but we cannot however, accept liability for any loss arising from failure to meet them.
12. All goods remain the property of Barber of Sheffield Limited, until paid for in full by the purchaser.
13. Where repairs of customers' goods are undertaken, they are done entirely at the customer's own risk.
14. We accept no liability for delay or non-fulfilment of any terms of the contract caused by force majeure or by any industrial dispute, accident, fire, scarcity of material or labour or by any cause not directly within our control.
15. No indulgence or failure by us to enforce any of our rights shall constitute a waiver of such right or preclude us from thereafter exercising the same.
